COVER..One of a very long line of eager children, Amy Bieringer has her turn to whisper her list into Santa's ear. Santa Claus had an extremely busy night after his arrival on the Mattapoisett fire engine, as the line was still active after most of the adults had moved on to Romeo's for sandwiches and across to enjoy the hospitality of the Mattapoisett Inn.

Chill lips and stiff fingers never missed a beat as the Old Hammondtown Band, directed by Stan Ellis, played the carols of Christmas present at the tree Lighting.

plauded. Santa Claus arrived with the clanging of the red chariot driven by the firemen. The old gent became the center of attention immediately, surrounded by the kids who had come with their lists on their lips.

From that moment on, Santa enthroned on his stage was the main event. A snake-line of children awaited their turn to crawl into his ample lap to tell him all. Santa was assisted by some very cute elves. It was the most familiar of sights to the old-timers of ten but all the little children had stars in their eyes and wonder too as they shyly approached Santa.

Once again Christmas was underway... 20 days and counting.

How is good vision like an old saying?

How much trust would you have in a doctor who had two for one sales on gall stone operations? Not much, would you? Well Oxford Family Eye Care feels the same way about eye care. Unlike the franchises, we at Oxford Family Eye Care look at ourselves as a health care service - not a retail operation. Good vision is too important to be reduced to two for one sales. This health care approach has been our tradition. When you come to Oxford Family Eye Care you'll find a wide selection of frames, but more important, your prescription will be filled accurately and quickly. We also offer **EMERGENCY SERVICE.** Oxford Family Eye Care has always taken vision seriously, because we know that like an old saying, good vision can too easily be taken for granted.

Special Town Meeting Date Set

MATTAPOISETT SELECTMEN'S MEETING
DECEMBER 4, 1990-by VIRGINIA MORGAN

Previously scheduled for January 1991, the Special Town Meeting has now been set for Monday, February 4th, 1991 at Old Rochester Regional High School.

Selectmen last Tuesday noted Finance Committee Chairman Robert Banz and Town Accountant Joseph Bolton preferred the February date so as to be better prepared with free cash figures. They felt January would be rushing it too much, Selectmen Chairman John DeCosta related to the board.

Considerable discussion was held on the scheduling of a date for the Special Election to vote on the one Proposition 2½ override question. No date was set at this time until Selectmen have conferred with Town Clerk Lois Ennis.

The one override question will be a Debt Exclusion request by the Water/Sewer Commissioners for $250,000 as Mattapoisett's share of the cost of the rehabilitation and

expansion of the Fairhaven sewer treatment plant. The question was passed on a 2/3 vote at the May 1990 annual town meeting, but failed at the special election.

The debt exclusion under Proposition 2½ will pay for a specific debt, such as the sewer plant expansion. It requires a 2/3 vote by selectmen and by voters at town meeting. At the election following town meeting, a simple majority is required to pass. The effect on the tax rate is not permanent - it will last only as long as the specific debt.

Selectman Daniel O. Mahoney asked about the possibility of holding the election ahead of the special town meeting; this has been done in other towns, he noted. Selectman Bernard F. Talty preferred to hold the election as soon as possible after the town meeting.

Also discussed was asking voters at the Special Town Meeting to consider holding the annual town meeting on a Saturday. Mr. Mahoney said, "Tell the voters the selectmen are 'seriously considering' holding the town meeting at 9 a.m. on a Saturday in May. We will hear from the voters on their opinion."

Mr. Mahoney agreed to prepare a by-law change for the warrant of the Special Town

Meeting in February asking voters to consider holding the annual town meeting "during the month of May". The annual town meeting is now held on the third Monday in May. The by-law change would leave the door open to hold it on a Saturday or keeping a Monday meeting day, Mr. Mahoney said. He added that an all-day town meeting would allow a town group or organization to sell food for a snack or lunch during the meeting break as a money-raising project.

In other business, Selectmen:

VOTED TO ADOPT a new fee schedule for the building, plumbing, electrical and gas departments, as recommended by Building Inspector Andrew J. Bobola. The new fees will go into effect January 1, 1991.

Chairman DeCosta said Mr. Bobola surveyed fees in area towns and these changes are in line, with other towns' fees. He added that all money that comes in goes to free cash. "Basically, fees are set to pay the cost of inspectors."

There are six increases in the building department fees; the others remain the same. Inspection of single and multi-dwellings and/or additional living space is increased from $.14 per square foot of living area to $.15 per square foot of living area or $25. per inspection whichever is greater; commercial inspections are increased from $10. to $12. for 100 square feet or $50. per inspection whichever is greater. Chimney/fireplaces, deck/porch/patio and garages increased from $25. per

Martin and Margaret DeMello.

The members discussed the question - is there any interest in establishing another Historical District, and how could research be accomplished? Also, should the commission pursue registering individual properties with the Massachusetts Historical Commission?

Also received were the minutes of the Harbor Advisory Committee meeting of November 26th at which the misuse of a boat slip was questioned. The harbormaster will be asked to clarify this issue.

Selectman Mahoney commented that Harbormaster Steve Mach should report to the Board of Selectmen on the misuse of a boat slip. "The harbormaster is our employee, and it should be clarified to us." Mr. Mach will be requested to meet with selectmen on this issue.

RECEIVED A REQUEST from Debbie Stinson of Continental Cablevision asking if the board members would be interested in addressing viewers on a monthly basis on current newsworthy issues in Mattapoisett.

Mr. DeCosta said he was not interested in the proposal. Selectman Mahoney said, "We respectfully decline. That is, unless we request an opportunity to be heard on an issue."

Old North Rochester Church

SPECIAL CHRISTMAS EVENT

The Old North Rochester Church, sporting a freshly refurbished interior, will be the site of a very special Christmas Service.

Based on an annual event at Cambridge University, the service is a moving combination of scripture and music. A choir, soloists, musical groups and the congregation will supply the well loved Christmas Carols. Organizers promise an evening that will put Christ back into your Christmas.

Friday, December 14th, is the date, 7:00 p.m. is the time. The service will last about one hour, close with a candlelight service, after which refreshments will be served.

The Old North still has no plumbing, and heat is limited, so plan accordingly. The Old North is on North Avenue, west of Snipatuit Road. There is off street parking which will be well lighted for that evening.

Everyone is welcome.

"Rarely in history have the people had an opportunity to have a direct say in the prevention of war. Such a time is now. We hope others in the area will join us in this effort to be heard", a Walk for Peace spokesperson said. poisett residents to drop off recyclables. The suggestion will be presented at the selectmen's meeting on Tuesday, December 11th.

The committee was joined by special guests, John Bowman of department of public health, Wesley Bowman of the highway department, Jerry Stratton of the landfill study committee, and Chris Emory who provides trash pickup for the town. One question explored was whether residents will bring recyclables to the landfill or alternative site and whether participation in a possible curbside recycling program would be high. What we do know is that the town pays SEMASS $19./ton at 60 tons weekly for our garbage. It is estimated that 60-75% of that trash is potentially recyclable. If the recycling effort is strong, the monetary savings could be great.

The landfill is still accepting yard waste and leaves which are being composted. Don't throw it out for trash pick-up! Get in the habit now - by 1992 recycling will be mandatory.

The November 23-24 paper drive, sponsored by C.L.E.A.N. Inc was a huge success Mattapoisett, Rochester and Acushnet residents contributed 18.3 tons of paper. The next drive will be Saturday, January 19th.

What a nice way to say Thank You to your valued customers . . .

opts for silence in a turbulent world. If the church seeks to be a guide, then it must move beyond a steady diet of soft "sweet Jesus" messages, and speak clearly on issues that cause concern and argument among people. If it refuses to speak, it runs the risk of being seen as irrelevant to our lives.

"Let There Be No Silent Night" will be the title of the sermon on December 16th at the Mattapoisett Congregational Church, and we welcome you to our 10:00 a.m. worship service. , Nursery service is available at this time.

REASSURANCE PROGRAM

Any senior living alone should be part of the "Reassurance" program. If you are not please call the Council office (758-4110). We have a simple form to be completed and we will assist you if necessary.

This is how the program works:

Any elder calls 758-4141 between the hoiurs of 6:00 a.m. and 10:00 a.m. to let the Police Department know that all is well. If no call is received by 10:00 a.m., the police will then try to call you. If there is no response after several tries, they will send a patrol car to check on your well-being.

Many seniors worry about forgetting to call in each morning. You need not worry, it gets to be a part of your daily routine. Please consider taking advantage of this free valuable service.

New Bedford Child and Family Service has been devoted to serving the children and families of Greater New Bedford since its founding in 1843. Our counselors work with families to improve the lives of children, and our greatest reward is reuniting a once shattered family and seeing children thrive. Our goal is always to help provide youngsters with a safe, secure, happy environment and to try to keep families together. We offer adoption services, the Big Brother/Big Sister program and a variety of other programs suited to the needs of area children and their families.

Christmas and will perform in Orleans on December 23rd.

Several New England Skating Clubs have selected competitors to participate along with recreational skaters who belong to ISIA programs. Many skaters who competed in the recent New England Regional Championships held in Acton November 26-December 1 will share the spotlight with Todd. Several skates have now qualified for the Eastern Championships having placed within the top four of their respective competitive groups.

Two precision teams will demonstrate their skills for the audience to enjoy: the Lower Cape Tot Precision team who will compete in the 1991 Bay State Winter Games, and the Skating Club of Southern New England precision team, who was the 1990 Department of Environmental Management Champions.

The Bourne Skating Club will have several skaters perform a group number from their own Christmas Show at the Gallo Ice Arena.

"Christmas on Ice" will present a varied program of skating since some of the skaters will perform their competitive programs while others have chosen holiday music to help celebrate the Christmas season.

The committee members have also announced that two beautiful autographed pictures of Eldredge will be given away at the finale of the show.

The satellite dish will allow the school system to receive cultural, instructional and staff development programs fed over satellite broadcast into the school. The telephone and computer system will allow the students and staff to interact directly with the presenters of the programming.

Mass LearnPike is a statewide distance learning network that is in the process of being developed. The network will bring distance learning programs produced by outstanding educators and artists from Massachusetts and around the world to the school community. The Memorial School's fifth and sixth grade classes are presently participating in a 10-week program focusing on goal-setting known as "Sportsplan". The course involves sessions taught by well-known personalities involved in athletics who explain their goals and how they worked to obtain them. The Mass LearnPike also provides access to hundreds of hours of staff development originating from other distance learning networks at reduced rates or at no cost. Teachers from the Memorial School and Mattapoisett Old Hammondtown School are presently participating in a five-week training program conducted by the Boston Museum of Science. PRISON FELLOWSHIP ANGEL TREE

In Acushnet and hundreds of other American cities this Christmas, forgotten victims of crime will receive gifts from people they have never met.

These victims are the children of men and women in prison. They will benefit through Prison Fellowship Angel Tree, a program sponsored by Prison Fellowship, an inter-denominational Christmas outreach, and Long Plain Baptist Church of Acushnet.

A Christmas Tree will be set up at the church at 1180 North Main Street, Acushnet, decorated with paper angels that bear the names and gift wishes of children whose parents are incarcerated in a Massachusetts institution. Individuals select angels, purchase the gifts listed, and return them to Angel Tree volunteers. Gifts will be distributed to the children in time for Christmas.

IN-SERVICE PROGRAM

Old Colony Regional Vocational-Technical High School will conduct its first teacher in-service program of the school year on Friday, December 14th. Students will be dismissed at 12:10 p.m. to allow staff members to participate in the training program.

O.C. STUDENT SELECTED ALL-STAR

A Rochester resident was among student athletes at Old Colony Regional Vocational-Technical High School selected to various Mayflower League All-Star Teams for the fall season.

Jeffrey Leconte was selected to the football All-Star Team as a result of his strong play during the 1990 season. Jeff, a senior in the carpentry department, played both offense and defense during the Cougars' season. Jeff served as a tri-captain and provided excellent leadership for the young Cougar team.

Jeff was recognized for his selection at Old Colony's Gridiron Banquet held on December 6th. The Cougar football team is coached by Kevin Gonsalves.

STUDENT COUNCIL ATTENDS CONVENTION

Recently 13 members of the Old Colony Student Council attended the S.E.M.A.S.C. Fall convention held at the Plymouth North High School. Old Colony students were joined by representatives of student councils from southeastern Massachusetts high schools in the day-long convention.

Participants had the opportunity to participate in selected workshops. The workshops focused on various topics including peer pressure, communications, state laws, and other contemporary issues.

Two Old Colony seniors, Beverly Connor and Paul Strobis conducted a workshop on state laws and regulations pertaining to student rights. The presentation was well received by the student council representatives.

Upon completion of the workshops students gathered together for a question and answer session and to evaluate the program. Students also had the opportunity to elect the host school for the next spring convention.

Joining Connor and Strobis at the convention were Old Colony students Susan Kallio, Dennis Tripp, Keith Jodoin, Kristen Lee, Edward DeMello, Nicole Wiley, Lorrie Medeiros, Tracy Weckesser, Adam West, Wilford Bonville and Deann Weston.

GOLF TEAM CAPTURES TOURNAMENT

As a general rule a strong athletic team requires years of development. The golf team at Old Colony Regional Vocational-Technical High School has been an exception. In only its second season of competition, the team captured the Mayflower League Tournament for the second consecutive year. Led by Coach John Abaray, the six member team responded to the tournament competition by shooting a low team score of 286.

The championship team consisted of Old Colony students: Steven DelLima and Jonathan Roy of Mattapoisett, Brian Mello, Shane Ingham and Shane Cabral of Rochester, and Michael Morris of Acushnet.

With only two graduating seniors Coach Abaray is looking forward to a third consecutive championship in 1991.
